Block Captains

Neighbors helping neighbors is what WPNA is all about. The Block Captain Committee has met twice to discuss how we can best put this philosophy into action on a street by street basis.

Recognizing that people are involved with many activities already, Block Captain meetings will be kept to a minimum and responsibilities will be limited so that it will not be a burden. Current duties: heading a telephone chain, and insuring delivery of the newsletter to the block. (Right now, only a few people are delivering.)

Block Captains are needed on every street except Kirk Road, Inman Drive, Mimosa Drive, Chevelle Lane, Missionary Court and Missionary Drive. If you are interested in helping out, please call Nancy Leitch (377-0856 after 6:00 P.M.)

LAST MEETING

At the April 24 meeting of the Winnona Park Neighbors Association, the Mayor and City Manager of Decatur listened as Winnona Park residents expressed their thoughts about aspects of growth and development of their neighborhood and the city. The following list represents some of our interests and ideas for Decatur.

- Do not want our neighborhood surrounded by four lane.
- No more or even less traffic on Candler.
- Want more mini parks.
- More parking.
- Courteous bus drivers and more bus routes.
- Single family zoning.
- Bike lanes.
- City-wide energy saving regulations.
- Publish land use and zoning maps.

The city planners will try to incorporate our thoughts into the long range plans for Decatur. Mayor Crichton invites your continued contributions and suggestions.

EVERYBODY'S GOING TO

The Picnic

The May meeting of the Winnona Park Neighbors Association will be held on Sunday afternoon, May 22. This will be a social meeting, and a picnic has been planned for 5-7 PM on the Winnona Park School grounds. WPNA members, their families, and friends are invited to attend.

The menu for the picnic is as follows: chicken, salad, dessert, and beverage. Please bring these four items in quantities which will feed you, your family, and your guests. The food will be placed at a central location on the school grounds and will be shared at the dinner hour, 6 PM. The Association will provide the utensils for eating, paper plates, and cups for the beverages.

The enthusiasm of the group will dictate the afternoon activities. If you are interested in organizing some sporting events, please provide the necessary equipment. If you are interested in indulging in a leisurely afternoon, please bring your favorite chair. Whatever activity you choose, please include in it your neighbors and friends in the WPNA. We anticipate a fun afternoon for all!

NOTE: In case of rain, the picnic will be held in the school auditorium.

SDCC Housing

Housing will be the focus at the May meeting of the South Decatur Community Council. Agnes Scott President Marvin Perry will be on hand to discuss the plans for the houses Agnes Scott owns in the area.

Other topics will include a rehabilitation program for the area, and a community marketing plan for repossessed homes, such as is working in the East Lake neighborhood.

The meeting will be at 7:30 PM on Tuesday, May 17, at the Mead Road Community Center, 135 Mead Road.

Glass Recycling

The Seekers, the youth group of the East Lake United Methodist Church is collecting glass to recycle to raise money for their group. If you have glass to donate, place it in bags or boxes and take it to the church between 10:00 A.M. and 12 noon on the third Saturday of each month. The church is located at 2500 Boulevard Drive, N. E.

If you cannot take the glass to the church, call 377-5481, 9:00 A.M. to 4:00 P.M. Monday through Friday to make arrangements for the glass to be picked up.

Be ecological and help the young people earn some money.
