## NEXT MEETING: Roads & Traffic

The next WPNA meeting will feature a program dealing with the impending decisions concerning roads and traffic in our neighborhood. The Decatur Transportation Task Force is charged with making recommendations to the city concerning the proposed widening of Candler Road, Columbia Drive, and among others, Kirk Road. IS THIS WHAT WE WANT? It is important to let them know how the residents of Winnona Park feel. The Task Force meets every other Thursday at 7:30 P. M. at Renfroe Middle School. The next meeting is February 15. The public is invited.

In addition, Winnona Park is about to come under the scrutiny of a neighborhood traffic study. This study is being conducted by consultants hired by the city and will come up with recommendations to try to insure that local streets will be used for local traffic. The meetings of Winnona Park residents with the consultants have not yet been scheduled but should start within a month. We need to decide what the traffic problems are and what We want done about them before meeting with the consultants.

Details of these items will be discussed at the next WPNA meeting at 4:00 P. M. on Sunday, February 25 at the Columbia Presbyterian Church. The meeting will be followed by a pot luck supper at 5:30 P. M. For the pot luck, bring a covered dish and a beverage. Utensils and paper products will be provided by WPNA. Facilities for keeping food hot will be available as will (hopefully) babysitting.

## Paper Drive

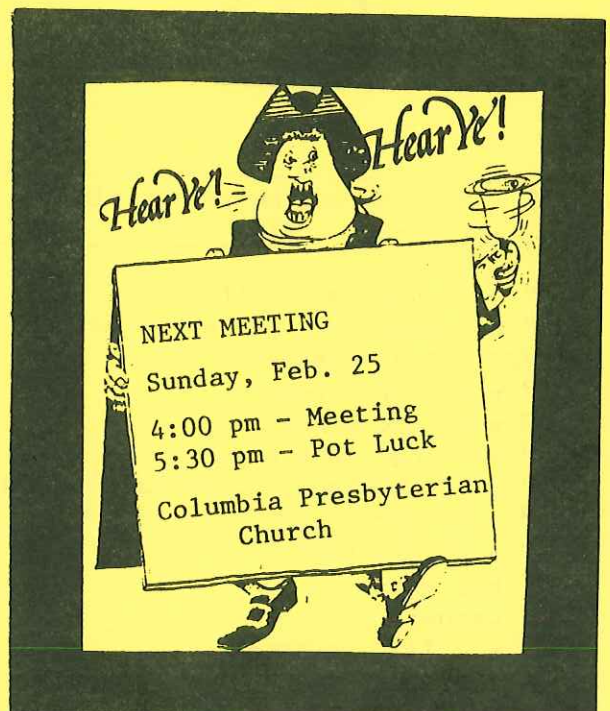

Because it has become increasingly difficult to collect newspapers from a large number of people and transport them to the school for a one day paper sale, the Winnona Park PTA has decided to collect newspapers in a collection van which will be parked on the school grounds on the following dates:

March 8 - March 15

April 26 - May 3

We hope that those who are able will bring their papers during these two weeks. If you cannot or if you know of someone who is not at present saving papers for anyone please call 373-6187.

The paper company wants only newsprint. If any other type of paper is mixed with the newsprint - we will be penalized. All papers must be tied or bagged, please. Thanks for your help.

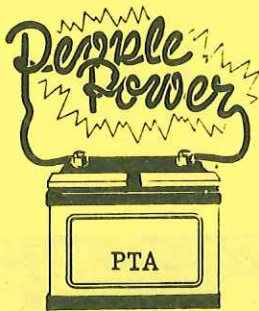

# SAIL The S.S. Winnona !

WPNA and PTA are combining forces to bring life to the school playground (see reverse). We need your help. As soon as these materials can be obtained, we can begin construction of the S.S. Winnona. This structure was designed to be built by us - the neighbors, friends, parents and students of Winnona Park. Weatherized materials such as required are expensive and the PTA budget is lean. We will rely heavily on donations and contributions. Every washer, screw, nut, bolt, or 2x4 you can provide will help considerably. If you have access to any of these materials, please contact the person designated.
