Community Center Neighborhood Assembly

South Decatur's Community Center hosts its twice annual Neighborhood Assembly once again. The fall business session will be held at the Center on Sunday, September 20, at 2 p.m. Function of these meetings is to elect members of the Board of Directors and plan Center activities.

A long-range goal of the Center is to introduce a neighborhood oriented community education program. This will be the focus of the planning activities at the upcoming assembly. Bill Denton, Pres. of the Community Center, has indicated that he would like to see an advisory board initiated at the meeting with the responsibility of planning and executing the program. Among the community education programs he says he would like to see are art & crafts, senior clubs, family enrichment, & a variety of economic development programs. Julius Avruch (Col. Dr) will present a proposal for economic cooperatives on the 20th.

In addition to planning activities, six members will be elected to the Center Board of Directors. This is the group that sets policy for the Center. Those interested in the election should contact Chuck Walker (Inman) at 378-1095. The Center is particularly interested in members who can guide this new educational thrust.

The Center, located at 321 W. Hill Street in Decatur, has recently been listed in the National Register of Historic Places.
